Portrait Bust of a Man  
1st-2nd Century A.D., Roman  
Marble  
H: 49cm, W: 22cm (H: 49.5cm with sock)  
Published  
"The Acquisitive Eye", House & Garden, March 1985, p106.  
John Richardson at Home, Rizzoli, New York, 2019, p106 (photographed)  
Provenance  
Previously in a 17th- or 18th-century European Private Collection (based on restoration techniques and handwritten note which may refer to an old inventory number).  
Private Collection of Sir John Richardson (1924-2019) from at least 1985 (there is a photo of the bust in Richardson's home taken ca. March 1985). Head industrially collected art from antiquity to contemporary throughout his life.  
JLR 202009180, integral certificate
